Day Ticket                    £15.00  
 Day Boat Hire                £8.00

**CATCH AND RELEASE ONLY**

**LOCH QUIEN** is a low lying fertile Loch which can produce some lovely fish, but can be a real challenge. It is easily accessible and is quiet and beautiful. There are five boats on the Loch, without outboards, as the fish are easily spooked.

At around ninety acres, with good areas of shallow water for wading, it also has a large area of deep water in the middle from thirty to fifty feet.

The Loch fishes better early morning and late evening with traditional flies and nymphs. Large black flies can at times pull a good fish or two if it is difficult, but flies like Greenwells, Dunkeld, Blue Zulu, Olive Wooly Worm, Pheasant Tail Nymph and Hoppers in Orange or Black are worth trying.

Day tickets with a bag limit priced at £15 are available from the Loch Fad Office and Bute Angling & Outdoors, 9 Albert Place, Rothesay.

The Loch is stocked on a regular basis with a mixture of fish sizes to supplement the natural fish.
